Pumpkin Carving Contest Winners

Congratulations to These Master Pumpkin Carvers

Thanks to all who submitted entries to our first Pumpkin Carving Contest. We had so many terrific pumpkins, it was very difficult to select winners in our three categories: Most Creative, Funniest and Scariest. After much deliberation the following winners were selected.

Rowan Desautels, daughter of Jessica Brittingham of Dartmouth schools, won for Most Creative. Rowan is a 7th grader at Dartmouth Middle School.

Alice Bellefontaine from Town of Norwell won for Funniest with the Quarantine Pumpkin

Vinny Ozella from Town of Hopedale won for Scariest

Thanks again to all participants.
