SUMMARY OF BENEFITS

Network Blue Deductible PlanSM

Plan-Year Deductible: \$300/\$900

Custom Limited Network Plan

This health plan includes a limited provider network called **MIIA Custom Limited Network**. It provides access to a smaller, but comprehensive network of doctors, hospitals, and other health care facilities and providers. **In this plan, members have access to network benefits only from the providers in the MIIA Custom Limited Network.** For help in finding which providers are included in this network, visit the online provider search tool at www.bluecrossma.com/miia.

✓ This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

Your Care

Your Primary Care Provider (PCP)

When you enroll in Network Blue, you must choose a primary care provider from the MIIA Custom Limited Network. Be sure to choose a PCP who can accept you and your family members and who participates in the network of providers in Massachusetts. For children, you may choose a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com/miia.

Referrals

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist from the MIIA Custom Limited Network, who is likely affiliated with your PCP's hospital or medical group. You will not need prior authorization or referral to see a network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield of Massachusetts regarding referrals and Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$300** per member (or **\$900** per family).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, coinsurance and copayments for covered services. Your out-of-pocket maximum for medical benefits is **\$2,500** per member (or **\$5,000** per family).

Your out-of-pocket maximum for prescription drug benefits is **\$1,000** per member (or **\$2,000** per family).

Emergency Care

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). After meeting your deductible, you pay a copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay. See the chart on the opposite page for your cost share.

Telehealth Services

You are covered for certain medical and behavioral health services for conditions that can be treated through video visits from an approved Telehealth provider. These Telehealth services are available by using your computer or mobile device when you prefer not to make an in-person visit for any reason to a doctor or therapist. For a list of Telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com/telehealth.

Service Area

The plan's service area includes the following counties: Bristol, Essex, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are only covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. See your benefit description for more information.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
