

Dear MIIA Members (this notice is being sent via mail to all Police Departments)

February 14, 2008

Dear Chief,

Re: Police Emergency Vehicle Operator Course (EVOC)

As part of our ongoing commitment to driver safety, MIIA will be conducting 6 one-day Emergency Vehicle Operator Courses (EVOC) on April 14, 15th and 16th and on May 12th, 13th and 14th at the State Police Driver Training facility in Ayer, Massachusetts.

The EVOC course is being offered to your department at no cost. As class space is limited to 24 participants each day, we can only accommodate 2 officers from each municipality. You may choose to send both officers on the same day or one on each of 2 separate days. We anticipate that the classes will fill up very rapidly (as have all our past EVOC courses) therefore; I recommend that you register as soon as possible.

Directions to the training facility will be provided with your confirmation letter.

Breakfast and lunch will be provided.

As we anticipate that this program will be in high demand, once you've committed to attending the program we ask that you assure that your enrolled officers attend. Please let us know at least 7 days in advance if you are unable to send anyone so that we may make the slot (s) available to another MIIA member.

Please complete and return the enclosed form indicating which day you prefer. We will make every effort to accommodate your choices.

Please note you must provide your own police cruiser for this training.

Program will be conducted rain or shine.

I look forward to your department's participation in this program.

Very truly yours

Jeffrey J. Siena
Loss Control Manager
