

# Network Blue New England \$500 Deductible<sup>®</sup>

with Hospital Choice Cost Sharing

Plan-Year Deductible: \$500/\$1,000

This health plan option includes a tiered network feature called Hospital Choice Cost Sharing. As a member in this plan, you will pay different levels of cost share (such as copayments and/or coinsurance) for certain services depending on the network general hospital you choose to furnish those covered services. For most network general hospitals, you will pay the lowest cost sharing level. However, if you receive certain covered services from any of the network general hospitals listed in this Summary of Benefits, you pay the highest cost sharing level. A network general hospital's cost sharing level may change from time to time. Overall changes to add another network general hospital to the highest cost sharing level will happen no more than once each calendar year. For help in finding a network general hospital (not listed in this Summary of Benefits) for which you pay the lowest cost sharing level, check the most current provider directory for your health plan option or visit the online provider search tool at [www.bluecrossma.com/hospitalchoice](http://www.bluecrossma.com/hospitalchoice). Then click on the Planning Guide link on the left navigation to download a printable network hospital list or to access the provider search page.

This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

# Your Care

## Your Primary Care Provider (PCP)

When you enroll in Network Blue New England, you must choose a primary care provider. Be sure to choose a PCP who can accept you and your family members and who participates in the network of providers in New England. For children, you may choose a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at [www.bluecrossma.com](http://www.bluecrossma.com); consult the Provider Directory; or call the Physician Selection Service at 1-800-821-1388.

If you have trouble choosing a doctor, the Physician Selection Service can help. They can give you the doctor's gender, the medical school she or he attended, and whether there are languages other than English spoken in the office.

## Referrals

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist, who is likely affiliated with your PCP's hospital or medical group.

You will not need prior authorization or referral to see a HMO Blue New England network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield of Massachusetts regarding referrals and Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

## Your Cost Share

This plan has two levels of hospital benefits. You will pay a higher cost share when you receive certain inpatient services at or by "higher cost share hospitals." See the chart for your cost share.

Note: If your PCP refers you to another provider for covered services (such as a specialist), it is important to check whether the provider you are referred to is affiliated with one of the higher cost share hospitals listed below. Your cost will be greater when you receive certain services at or by these hospitals, even if your PCP refers you.

## Higher Cost Share Hospitals

Your cost share will be higher at the hospitals listed below. Blue Cross Blue Shield of Massachusetts will let you know if this list changes.

- Baystate Medical Center
- Boston Children's Hospital
- Brigham and Women's Hospital
- Cape Cod Hospital
- Dana-Farber Cancer Institute
- Fairview Hospital
- Massachusetts General Hospital
- UMass Memorial Medical Center

All other network hospitals will carry the lower cost share, including network hospitals outside of Massachusetts.

Note: Some of the general hospitals listed above may have facilities in more than one location. At certain locations, the lowest cost sharing level may apply.

## Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$500** per member (or **\$1,000** per family). Your deductible for prescription drugs is **\$100** per member (or **\$200** per family).

## Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is **\$2,500** per member (or **\$5,000** per family). Your out-of-pocket maximum for prescription drug benefits is **\$1,000** per member (or **\$2,000** per family).

## Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). After meeting your deductible, you pay a copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay. See the chart for your cost share.

## Telehealth Services

You are covered for certain medical and behavioral health services for conditions that can be treated through video visits from an approved Telehealth provider. These Telehealth services are available by using your computer or mobile device when you prefer not to make an in-person visit for any reason to a doctor or therapist. For a list of Telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at [www.bluecrossma.com](http://www.bluecrossma.com); consult the Provider Directory; or call the Physician Selection Service at 1-800-821-1388.

## Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

## When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. See your benefit description for more information.

## Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
