

Dear MIIA Members

This is a follow up to our March 24, 2018 email regarding DLS updates on OSHA Safety for Public Sector Employees.

Below are links to some additional documents issued by the Department of Labor Standards.

[Osha Safety for Public Sector Employees Highlights of Updated Law- Final Version](#)  
[Osha Safety for Public Sector- Frequently Asked Questions](#)

Also, in keeping with MIIA's promise to provide resources to help you with this ongoing risk management education and training process, we have included a link to a seasonal safety bulletin developed by the DLS on the dangers of roll-over safety for ride-on mowers.

As always, additional resources on Safety and Health programs for Public Sectors can be found on the DLS website ---link

Thank You
