

April 25, 2026

Dear Members,

We wanted to remind you of this amazing opportunity to learn about the resources available to you to assist you with your safety programs.

MIIA Risk Management Training

Workplace Safety

Safety is Not an Accident

June is Safety Month!

MIIA Risk Management staff and representatives from the DIA, SafetyWorks Grant and the Department of Labor Standards, SafetyWorks Consultants invite you to join this informative workshop which will focus on the safety and training resources available to Massachusetts municipalities.

Topics will include:

- MIIA Risk Management: Overview of FY27 Rewards and Grant program/opportunities
- Department of Labor Standards will address areas of emphasis and resources available. Please note they provide confidential consultation at no cost. Proactive consultations help prevent injuries, insure smooth operations and help organizations of any size stay compliant with OSHA standards.
- Safety Works DIA Grant (opens June 1, 2026). Grant supports essential resources and financial backing for impactful risk management and loss control initiatives. Grant provides up to \$25,000 for safety training. Municipalities may apply singularly or as a consortium. Grants will be accepted from Monday June 1 to Tuesday June 30.
- Meet and greet several of the most frequently used trainers to brainstorm, consult and share ideas. Network and see how you can leverage all 3 organizations' resources to keep your employees and community safe
