MIIA Risk Management Training

Workplace Safety

Workers Compensation 101 and the Origami Platform

This webinar will provide an understanding of the Workers' Compensation process and some key Workers' Compensation elements. The webinar introduction will include an overview of the MIIA Workers' Compensation Program as well as a brief review of the Origami reporting platform.

Per MIIA virtual training policy, participants must remain on camera the entire time to receive credit.

The webinar will be led by Peggy Doherty, Deputy Director of Workers' Compensation Claims/Risk Management Liaison for the MIIA Workers' Compensation Department.
Topics addressed will Include:

Topics addressed will Include:

- Definition of Workers' Compensation Injury
- How and why losses should be reported on a timely basis
- Insurer's response to Notice of Injury
- Case Management
- Utilization Review
- Return to Work
- OSHA Reporting Requirements & OSHA 300 Logs
- The Department of Industrial Accidents; the litigation process
- Lump Sum Settlements

Participants will leave the webinar with a general understanding of the Workers' Compensation system, which should make their internal Workers' Compensation program more effective.

Reward Credits
This webinar qualifies the MIIA member for .25% under the MIIA Rewards Workers Compensation category. **To receive this credit per MIIA training policy you will need to remain on camera throughout the session.**
