PRESENTER

Lynn Rose

Lynn is currently the Senior Risk

Management Trainer for the Massachusetts Interlocal Insurance Association (MIIA). She has worked for approximately 30 years in K-12 schools developing and implementing environmental health and safety (EHS) systems for all school and municipal departments, and state agencies. She co-created the *Cleaning for Healthier Schools*, *An Infection Control Guide* in 2010, based on the outcome of a five-year national workgroup collaboration. It was funded by the Toxics Use Reduction Institute, who is also funding the update of the handbook for COVID-19.
