MIIA Risk Management Training

Workplace Safety

Workers Compensation 101 and the Origami Platform

This webinar will provide an understanding of the Workers' Compensation process and some key Workers' Compensation elements. The webinar introduction will include an overview of the MIIA Workers' Compensation Program. Additionally, MIIA's Workers' Compensation staff will provide OSHA reporting requirements and the OSHA 300 Logs as well as a brief review of the Origami reporting platform.

Per MIIA virtual training policy, participants must remain on camera the entire time to receive credit.

The webinar will be led by Peggy Doherty, Assistant Director of MIIA WC Claims.

Topics addressed will Include:

- Definition of Workers' Compensation Injury
- How and why losses should be reported on a timely basis
- Insurer's response to Notice of Injury
- Case Management
- Utilization Review
- Return to Work
- OSHA Reporting Requirements & OSHA 300 Logs
- The Department of Industrial Accidents; the litigation process
- Lump Sum Settlements

Participants will leave the webinar with a general understanding of the Workers' Compensation system, which should make their internal Workers' Compensation program more effective.

Reward Credits This webinar qualifies the MIIA member for .25% MIIA Rewards credit under the Workers Compensation category.

Accommodations Please contact Mary Ann Marino at 781-223-1870 at least 48 hours in advance.
