MIIA Risk Management Training

Workplace Safety

ON-SITE 2 Day TRAINING

OSHA 10 Construction

This two-day training meets the requirements of OSHA's Outreach program. Upon successful completion of this course an OSHA 10-hour Construction certificate and card will be provided. The course provides basic hazard identification and controls for the construction industry. Topics include OSHA and DLS; safety and health programs; health hazards; personal protective equipment; fall prevention and protection; ladders; electrical; struck-by and caught in-between; and excavations.

Reward Credits: Participation in this training qualifies the MIIA member for 1% Rewards credit under the Workers Compensation Category. **Must attend both days to receive OSHA card or credit.**

Accommodations: Please contact Mary Ann Marino - mmarino@mma.org at least 48 hours in advance.
