

Flagger Certification Training Must have first aid certificate to participate

Flagging is a very important and demanding job, whether in a work zone during utility installation or repair, or during an emergency road hazard situation.

This course will provide the Flagger Certification to individuals to conduct flagging operations on roads in the Commonwealth of Massachusetts.

Stay Safe Traffic Products, Inc. is the approved entity to certify such individuals/contractors. The certification will remain valid for 2 years. Materials from the American Traffic Safety Services Association (ATSSA) will be given to each student.

- All Materials from the American Traffic Safety Services Association (ATSSA) will be given to each student.

Agenda

- Definitions and Human Factors
- Parts of the Temporary Traffic Control Zone (TTZ) Flagging Operations & ATSSA Video
- Demonstration of Work Zone and Flagging Operations

PRESENTER

Catherine Schoenenberger

Catherine Schoenenberger is President and Owner of Stay Safe Traffic Products, Inc.

(established 2002). She has taught Work Zone Safety for the LTAP (Local Technical Assistance Programs) throughout New England since 1998. She has served the municipal highway and public work departments as a conscientious supplier and has relied heavily on the Manual on Uniform Traffic Control Devices (MUTCD) for much of her dispensed advice and resulting product sales.
