

Introducing A New Diabetes Support Program

Good Health Gateway® Diabetes Care Rewards Program

MIIA Health Benefits Trust is pleased to offer a new diabetes support program called the **Good Health Gateway®** Diabetes Care Rewards Program. Starting July 1, 2021, you and your dependents are eligible to participate in the program if you are enrolled in a MIIA Health Benefits Trust sponsored health plan and have pre-diabetes or any type of diabetes.

This program helps you lead a healthier life through effective management of your condition. **In addition to better health, when you meet the program requirements, you will receive your diabetes medications and supplies for \$0 copays.**

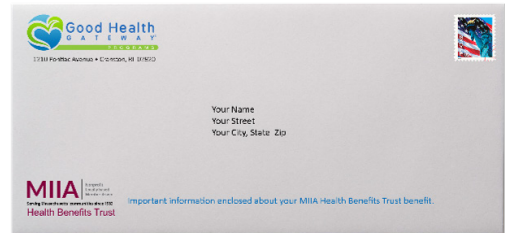

The Diabetes Care Rewards Program has been serving municipal entities in the commonwealth and helping their health plan members for over 10 years.

How the Diabetes Program Can Help You

You are rewarded with \$0 copays for having important diabetes labs and exams that are recommended by your doctor and the American Diabetes Association that help you better control your diabetes which helps you live well and feel better. You will also have unlimited access to Diabetes Nurse Educators and Pharmacists who will support you in your care and answer any questions you may have about your condition.

Participation is **voluntary** and **confidential**, and you and/or your dependents can enroll at any time at no cost to you. **NO** medical or health information about you or your family will be shared with MIIA Health Benefits Trust or your employer.

Look for more information in the mail about this important benefit from the Good Health Gateway Diabetes Care Rewards Program.
