"Prevent Consent" Testimonials

Our unique financial consent language for ER visits has helped real people in real life save real money. Keep your ER bill in the three figures with our "Prevent Consent. mass.quizzify.com

“Writing in Quizzify's Consent kept my charge to \$478 for the highest-level code in the ER: 'A comprehensive, high-severity issue...posing an immediate threat to the patient.' ”
Emma Fox, EPowered Benefits, North Carolina

“I would have paid way more than \$10,000 without the consent. With the consent, I paid less than \$700.”
James Hamilton, Florida
