

Managing your health has its own Rewards.  
Plus, we'll give you a few more.

October 2022

Dear MIIA Health Benefits Trust Health Plan Member:

If you and/or a family member on your MIIA Health Benefits Trust health plan are living with pre-diabetes or any type of diabetes, you are eligible to participate in the **Good Health Gateway**<sup>®</sup> Diabetes Care Rewards Program. The program helps ensure you are seeing your doctors and getting the basic diabetes care needed to take care of your health.

When you register and complete the basic diabetes care activities, you can get all of your covered diabetes medications and supplies at NO COST, that includes both brand and generic medications, glucometers, lancets, test strips and much more. Here are just a few of the brand name medications our participants can get for \$0 copays.

• BASAGLAR	• JARDIANCE	• TOUJEO SOLO
• FARXIGA	• LANTUS	• TRESIBA FLEX
• HUMALOG	• NOVOLOG	• TRULICITY
• JANUVIA	• OZEMPIC	• VICTOZA

Take advantage of this program for your health and your wallet.  
Register at [MIIA.GoodHealthGateway.com](http://MIIA.GoodHealthGateway.com).

If you have any questions about the program or need help getting started, please call our HelpLine Advocates at 800.643.8028.

Sincerely,

Amy Bickford  
Director, Client Services
