

ACTIVE SHOOTER RESPONSE TRAINING

TRAIN-THE-TRAINER COURSE

ALICE is a set of proactive strategies that increase chances of survival during an active shooter event.

Train-the-Trainer

Tuesday, October 27, 2020 and Wednesday October 28, 2020
St. Anselm Church, 100 Landham Road, Sudbury, MA 01776
8:00 a.m.- 4:00 p.m.

A.L.I.C.E. (Alert, Lockdown, Inform, Counter, Evacuate) is a set of proactive, options-based strategies, that increase your chances of survival during a violent intruder or Active Shooter event. For 14 years, the A.L.I.C.E. Training Institute has provided violent intruder response training to individuals and organizations across the nation.

This training will create ALICE Certified Instructors (ACI) who will serve as the Violent Intruder Response subject-matter domain person (s) for the organization. ACI's will conduct all hands-on training (demonstrations, practical scenarios, and evaluation drills) that complement and enhance the response options, strategies, and concepts learned in the ALICE e-learning.

Demonstrations provide visual examples of strategic techniques and physical recommendations, and show how they achieve the desired objective and benefit.

Practical scenarios allow the learners to practice both decision-making and physical exercises, building muscle memory and making quicker, proper response choices probable. This is a very important component for increasing survivability.

Evaluation drills are announced events that make building occupants respond to provided stimulus. Their choices and responses are observed by the ACI's in order to evaluate the learning conducted through the e-learning, demonstrations, and practical scenarios.

ACIs will also have access to ATI-provided templates and recommendations that will assist in the enterprise roll-out of the new plan, policy, and procedures. ACIs will assist Executive Level, HR, Security, and other related staff in establishing guidelines, timelines, documentation, presentations, and all other requirements needed for ALICE implementation.

Who should attend: Law Enforcement and Municipal and School personnel who wish to implement an A.L.I.C.E. type program in their own communities.

MIIA members attending this workshop are eligible for 1% off of their FY21 renewal premium under the Public Officials, General Liability or Workers Compensation categories.
