RESOURCES

[Cranes 101](#)

Presenter

Keith Norton

Keith teaches basic and advanced arboriculture courses, safety courses including those designed to meet OSHA requirements, electrical hazard, utility line clearance courses, crane use in arboriculture and custom arborist training classes. He is an experienced instructor, small business owner, and manager. He has skills in complete independent tree company operations, commercial tree company operations, and service management.

Mr. Norton has trained from coast to coast in the United States and the Virgin Islands. Mr. Norton has testified in tree related court cases as an expert witness. Mr. Norton is a voting member of the ANSI Z 133 committee.

Proper care and maintenance
Suspension trauma

This training meets or exceeds all requirements of OSHA, ANSI A92.2 and your insurance company.

Attendees will receive a certificate from Cranes Safety Institute
