Go to www.emiia.org and click on "Training Calendar"

Each of us would like to be thought of as an employee who positively contributes not only to the bottom dollar, but also to the over-all workplace culture. This seminar will focus on respectful communication: the things we can do to create and perpetuate a respectful work environment. We will also examine behavior that detracts from the desired workplace environment.

Presented by your Employee Assistance Program, offered through AllOne Health
