ENQUIRON: MIIA'S HUMAN RESOURCE CENTER

**PLEASE JOIN US FOR A TOUR OF ENQUIRON
THURSDAY, APRIL 16TH
2:00 PM**

MIIA understands that member cities, towns and public entities may be facing difficult situations due to the COVID-19 pandemic. This national health crisis has changed the way organizations operate virtually overnight. As a member of MIIA, we want to remind you that you have complimentary access to online solutions and resources that cover key areas of concern for employers. The MIIA Human Resource Center, powered by Enquiron, is a virtual library of resources, articles, webinars and podcasts which provide both federal and state-specific information on a variety of human resource-related topics. It also offers some unique tools specific to municipalities such as an Employee Handbook Builder. Join us for a webinar with Vanessa Candelora, Director of Business Development from Enquiron who will provide a brief walk-through of the MIIA Human Resource Center, powered by Enquiron and all that it has to offer.
