Friday, September 23, 2022

Cummington Town Hall 33 Main Street

and

Saturday, September 24, 2022

Cummington Fairgrounds 97 Fairground Road

**This training will consist of both a classroom
and hands-on segment.**

Agenda

CLASSROOM

Friday, September 23, 2022 6 :30 p.m. - 9:30 p.m.

Cummington Town Hall

33 Main Street

The classroom portion consists of a lecture and PowerPoint and is highly interactive and addresses the following topics:

- How much do we know
- What qualifications do we have?
- What qualifications should we have?

Pre-Test

Driving attitudes- what we think/know. How we behave when we drive

Laws and Liabilities

Massachusetts laws pertaining to the operation of the EV-Ambulance/Fire

How to determine if the call is a true emergency

Lights, sirens- proper usage- due regard

Vehicle

Pre-trip inspection, traction, friction, braking systems, intersections, backing, night driving, vision, and environmental conditions.

HANDS-ON

Saturday, September 24, 2022 7:00 a.m.

Cummington Fairgrounds

97 Fairground Road

The practical driver portion of the course will cover straight line driving and backing, alley docking, serpentine, lane change, diminishing clearance, confined space turn around, parallel parking, backing with and without a spotter and trailer handling.

Participants by the end of this course will be able to identify the areas which they need to concentrate on to become safer and more confident drivers.

MIIA members communities with 75% or more of their department participating in this course are eligible for a 1% credit off of their FY23 renewal premium under the AUTO category.
