Agenda

CLASSROOM

The classroom portion consists of a lecture and PowerPoint and is highly interactive and addresses the following topics:

- How much do we know
- What qualifications do we have?
- What qualifications should we have?

Pre-Test

Driving attitudes- what we think/know. How we behave when we drive

Laws and Liabilities

- Massachusetts laws pertaining to the operation of the EV-Ambulance/Fire
- How to determine if the call is a true emergency
- Lights, sirens- proper usage- due regard

Vehicle

Pre-trip inspection, traction, friction, braking systems, intersections, braking, backing, night driving, vision, and environmental conditions.

PRACTICAL- HANDS-ON

Training starts at 8:00 a.m. and ends when all students have completed the session
