Go to www.emiia.org and click on "Training Calendar"

Managers spend the majority of their time handling personnel challenges. Wouldn't you like your time freed up to attend to what's most important, rather than what's pressing? This seminar explores how managers can address frequent and recurring employee situations such as performance issues and negative behavior. Managers will leave this session with specific strategies for motivating others, addressing personnel challenges, and capitalizing on employees' talents and strengths.

Presented by your Employee Assistance Program, offered through AllOne Health
