Go to www.emiia.org and
click on "Training Calendar"

What would you do if you witnessed or experienced harassment? How would you protect yourself from being a victim or an accidental perpetrator of workplace harassment?

This interactive training will provide employees and managers with a review of state laws, federal laws, and company policy. Strategies for confronting harassment will be discussed, and participants will be encouraged to examine their own attitudes and behaviors, as well as their impact on co-workers.

Presented by your Employee Assistance Program, offered through AllOne Health
