This 4.0 Contact Hour (0.4 CEU) classroom based instructor led training meets the Massachusetts Department of Public Safety continuing education training requirement for a Class 2A Hoisting License.

This seminar provides an overview of the related laws and regulations governing excavation operations in Massachusetts and discuss the importance of the operator's manual and knowing the risks associated with construction.

Topics addressed include:

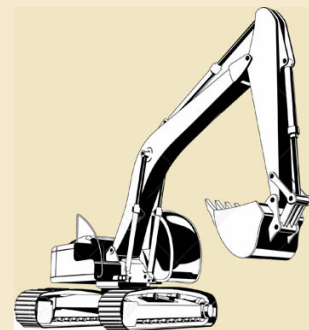

- Excavation and Trench Safety
- Dig Safe
- Hoisting Machinery
- OSHA standards
- Excavation/Backhoe Loader

LOCATION

North Adams
