

Lockout Tagout Training

Monday, April 30, 2018
1:30 pm to 3:00 pm
Department of Public Works
(conference room)
1 Municipal Drive
Hudson, MA 01749

Richard Afrikian, Senior Risk Management Representatives, MIIA Member Services will review regulations on the following OSHA related topics and some best practices

This presentation will be a review of the requirements for working with and understanding the OSHA standard CFR 1910.147 which is also adopted by the Mass Department of Labor for those that work with most forms of energy including electrical. This standard reflects how to manage and work with the control of hazardous energy known as Lock Out and Tag Out {LOTO}.

Attendance at this seminar qualifies the MIIA member for .5% credit under the FY18 MIIA Rewards Workers' Compensation Category
