## Bringing out the Best in People: Positive Management Techniques

Are you tired of managing weakness and focusing on performance deficits? Would you like a more positive team atmosphere? This seminar will provide managers with tools for identifying and focusing on their employees' talents and strengths. The ratio of positive to negative feedback will be examined as a motivator vs. de-motivator. Additionally, managers will explore how to be the positive workplace contagion and how to engage others through positivity.

Presented by your Employee Assistance Program AllOne Health **1.800.451.1834**
