All OSHA Courses conducted by the OSHA Education Center are approved for Training Contact Hours (TCH) by the Board of Certification (MA DEP)

---

**Course Description:** - Using a step by step approach this one day workshop will review a Bloodborne Pathogens Exposure Control Plan. The target audience is the program administrator, manager, or other personnel designated with the responsibility of developing a Bloodborne Pathogens Exposure Control Plan. Topics include: Bloodborne Pathogens Standard, Exposure Control Plan, Exposure Determination, Methods of Control, Vaccinations, and Evaluations.

**Who should attend:** Safety Officers, Town Managers, and Department Heads or individuals designated with the responsibility to develop and maintain a safety and health program or system. This training is suitable for safety leaders, committee members, HR and safety professionals responsible for improving the safety and health culture and best practices in their workplace.

Attendance at this seminar qualifies the MIIA member for 1% credit under the FY20 MIIA Rewards Workers' Compensation category
