

OSHA Certificate Program

OSHA# 7115 Lockout/Tagout

Virtual Training
Tuesday, May 23, 2023
8:00 a.m. - 4:30 p.m.
Mandatory Orientation at 7:55 a.m

This training requires all participants to remain on camera the entire time.

COURSE DESCRIPTION

This one-day course provides participants with information on the importance of energy control programs, procedures, training, audits, and methods for controlling hazardous energy, and the knowledge and skills required to safely perform servicing and maintenance activities. Topics include:

- The employer's role and responsibility to develop and implement an energy control program, or lock-out/tagout (LOTO)
- Definitions relative to OSHA's Control of Hazardous Energy Standard
- Hazardous energy sources and energy isolation options
- Written program requirements
- Training guidelines for authorized and affected employees
- How to detect hazardous conditions and implement control measures
- The development and implementation of energy control programs, including written isolation procedures,
- Periodic inspection of energy control procedures.

Who should attend: Safety Officers, Town Managers, and Department Heads or individuals designated with the responsibility to develop and maintain a safety and health program or system. This training is suitable for safety leaders, committee members, HR, and safety professionals responsible for improving the safety and health culture and best practices in their workplace.

Attendance at this seminar qualifies the MIIA member for 1% credit under the FY23 MIIA Rewards Workers' Compensation category.

Presenter

Lev Pobirsky is the Senior Director- Safety & Security for Pepsi-Cola National Brand Beverages. In his role, he provides safety security, and risk leadership to over 8,500 employees at over 40 manufacturing facilities, warehouses, and transportation depots across the United States. He is a certified OSHA General Industry & Construction outreach trainer and a Certified Health and Safety Manager, and a Certified Safety Professional.

Prior to corporate life, Mr. Pobirsky served as an Infantry & Special Operations Officer in the United States Marine Corps, attaining the rank of Captain. He has worked and trained with various federal agencies on the topic of workplace violence and active shooter response.
