

OSHA# 7205 Health Hazard Awareness

Virtual Training
 Thursday, June 13, 2024
 8:00 a.m. - 3:30 p.m.
 Mandatory Orientation at 7:45 a.m.
[Register here](#)

This training requires all participants to remain on camera individually the entire time.

COURSE DESCRIPTION

This course covers common health hazards that are encountered in the workplace. These health hazards include exposure to chemicals, asbestos, silica, and lead.

Course topics include recognition and evaluation of health hazards and their sources of exposure, and engineering and work practice controls. Students participate in workshops on evaluation and abatement of workplace health hazards. Upon course completion students will have the ability to understand common health hazards in the workplace, methods for controlling and abatement of these hazards, and where to find additional resources.

Who should attend: Safety Officers, Town Managers, and Department Heads or individuals designated with the responsibility to develop and maintain a safety and health program or system. This training is suitable for safety leaders, committee members, HR, and safety professionals responsible for improving the safety and health culture and best practices in their workplace.

Attendance at this seminar qualifies the MIIA member for 1% credit under the FY24 MIIA Rewards Workers' Compensation category.

Presenter

Lev Pobirsky is the Senior Director- Safety & Security for Pepsi-Cola National Brand Beverages. In his role, he provides safety security, and risk leadership to over 8,500 employees at over 40 manufacturing facilities, warehouses, and transportation depots across the United States. He is a certified OSHA General Industry & Construction outreach trainer and a Certified Health and Safety Manager, and a Certified Safety Professional.

Prior to corporate life, Mr. Pobirsky served as an Infantry & Special Operations Officer in the United States Marine Corps, attaining the rank of Captain. He has worked and trained with various federal agencies on the topic of workplace violence and active shooter response.
