This seminar heightens participants' awareness of harassment in the workplace. Federal laws, State laws and company policies that protect workers from harassment is discussed.

Participants are encouraged to examine their own attitudes and behavior, as well as the impact of their behavior on co-workers. Discussion will include review of recent court rulings and policy recommendations.

Participants are encouraged to examine their own attitudes and behavior, as well as the impact of their behavior on co-workers. Discussion will include review of recent court rulings and policy recommendations.
