

MIIA Grants & Rewards

July 1, 2026

Dear Members,

The MIIA Risk Management Grant program now in its 25th year, provides financial resources and tools to supplement and enhance members' risk management efforts. Our focus remains on supporting your efforts addressing climate challenges, specifically evolving weather patterns, employee health and safety and cybersecurity.

Preference is given to members who proactively collaborate with their MIIA Risk Manager to help control losses. You must consult with your MIIA Risk Manager regarding your community's risk management approach, exposures and losses before submitting your application. MIIA will review submissions on a bi-weekly basis starting August 4. The grant program closes once the \$1M FY27 funding is reached.
