Funding

The Health Benefits Trust awards up to \$1.5 million in wellness, public safety, and National Fitness Campaign grants annually on a first-come, first-served basis. Funds must be used within the current fiscal year (FY'26: July 1, 2025 – June 30, 2026).

Groups may apply for more than one grant per year, as long as the total amount does not exceed their annual eligible amount. Please refer to the chart below.

Grant tiers based on active employee medical plan subscriber headcount

As you develop your project, please keep in mind that this grant is intended to promote employee health and wellness and contribute to a positive workplace culture. For example, we encourage proposals for dedicated wellness spaces where employees can relax, rather than projects focused on upgrading office equipment.

Please show us how your project will directly improve or enhance the health and well-being of your employees.

For detailed information regarding required documentation, restrictions, deadlines, and grant disbursement options, please refer to the full guidelines provided below.

Grant Disbursement Options

Upon application approval, you will receive a unique link to upload all invoices. Kindly refrain from sending invoices via email.

Option 1 The Health Benefits Trust pays the vendor directly upon receipt of an invoice from the member. Vendor tax ID number/W9 must be included with all invoices.

Please do not upload full social security numbers.

Option 2 The Health Benefits Trust will reimburse the member upon receipt of a copy of the front and back of a canceled check and a copy of the vendor invoice. If you have installment invoices for program implementation, please provide appropriate detail on all submitted invoices. For example: John Smith installed 4 new bike machines in the police and fire stations gyms (4 hours at \$100/hour = total \$400).

Please do not upload full credit card numbers.

Please note: The Health Benefits Trust will provide grant or other reimbursements on approval of invoices and supporting evidence of expenditure submitted. Under no circumstances will we provide reimbursement for anyone other than the vendor providing the service or purchase contracted, or the member entity for whom the service or purchase is intended.
