

Which quit medication is most effective?

Am I using too much nicotine gum?

When I drink coffee, I want to smoke. What should I do?

Live chat with an EX Coach through the EX Program for answers to all your questions.

EX Coaches are real people who can help you:

- Feel more confident
- Develop strategies for beating triggers
- Create the best plan for you to quit tobacco
- Get FREE quit medication delivered to you

It's free and easy to get started.
