Fun Day Challenge!

We are celebrating a fun and unusual holiday with a challenge for you to engage in. There are three easy steps to participate. First, choose your favorite option that you'd like to try. Second, take a picture of yourself doing the activity. Lastly, fill out the form [HERE](#) by midnight, March 31st, 2024. This program is open to all employees and spouses. Any employee or spouse who participates will be entered into the raffle. For every ten submissions there will be a raffle winner!

We are celebrating Something on a Stick Day in March!

To celebrate "Something on a Stick Day" on March 28th, we have three options! Pick ONE choice that you'd like to try. Make sure to take a picture of yourself completing your chosen option.

Option 1: Kid Friendly Choice Peanut Butter and Jelly on a Stick

Grab your favorite nut butter (or sunbutter), jelly/jam, and add some fruit (grapes, bananas or strawberries) for a fun-filled twist on a classic.

[Find Recipe Here.](#)

Option 2: Elevated Appetizer Caramel Apple-Brie Skewers

Impress your guests (or family) with this delicious appetizer. If brie isn't your thing, feel free to try different cheeses in its place. Experiment with different apple-cheese pairings, such as Red Delicious-Cheddar, Fuji-Fontina, Braeburn-Gouda, Honeycrisp-Gruyere, or Pink Lady-Swiss combinations. The caramel drizzle can also be decreased or omitted altogether.

Option 3: Freed from Finicky Foodies Personalized Pizza

If your household can never decide on the toppings to put on a pizza, try this unique skewer recipe. Family and friends can enjoy threading onions, peppers, cherry tomatoes, sausage (or other tidbits) plus pizza dough into kabobs. After baking, top with shredded mozzarella and serve with a side of warmed pizza sauce. Brilliant!
