

MIIA Stepladder Safety Program – Inspection Tracking Log

Instructions:

1. Please print all information.
2. Inspect all stepladders prior to use using Stepladder Safety Forms A and B, and complete sections below based on outcome of inspections.
3. Immediately notify your supervisor if a ladder needs to be taken out of service. Tag the ladder with a “Danger, Equipment Taken Out of Service” tag.
4. Maintain this log on file and submit a copy or make available for review upon request.
